Notice of Tender

Lawrence Community Center Cleaning

Scope of Work:

- The Rural Municipality of Lakeshore is accepting tenders for cleaning of the Lawrence Community Center.
- The building will require cleaning after each rental event (at the direction of Administration) and a weekly spot cleaning and supply check.
- Cleanings may include the Hall, Curling Club and the Recreation Center, depending on the rental event.
- Please structure your tender to show your *price per cleaning of each area of the LCC*, not per hour.
- To provide the municipality with as accurate of a price as possible please plan to come have a look at the facility on March 15th, as staff may not be available to accommodate other viewing times.

Please submit your tender in a *sealed* envelope marked “Lawrence Community Center Cleaning” by 4:30 PM on March 25, 2019.

The lowest or any tender will not necessarily be accepted.

Should you require any further information please contact the municipal office.

Thank you and we look forward to receiving your tenders.
